**GOVERNMENT OF PUDUCHERRY  
CHIEF SECRETARIAT (HEALTH)**

(G.O. Ms. No. 14, dated 2nd May 2013)

**NOTIFICATION**

In the Union territory of Puducherry, the Child Health and Maternal Health Services in Puducherry have improved considerably over the years. The Infant

Mortality Rate (IMR), Neonatal Mortality Rate (NMR) and the Maternity Mortality Ratio (MMR) continue to be low when compared with the national averages owing to measures taken by the Department of Health and Family Welfare Services.

To reduce further IMR, NMR and MMR, several state specific initiatives like free diet have been implemented to supplement the national efforts during the last decade. Similarly since 2005, reproductive and child health programme under NRHM is being implemented to ensure better facilities for women and children, which has resulted in better utilisation of public health facilities and increase in institutional deliveries. These initiatives have made significant contribution in the reduction of IMR, NMR and MMR of the state. The IMR has reduced from 25 (SRS - 2009) to 22 (SRS-2011) and MMR has reduced from 22 (SRS - 2009) to 18 (SRS-2011). Efforts, however, need to be further augmented to meet targets set under Millennium Development Goal (MDG). To this effect, Government have been considering providing free services to pregnant women at the time of delivery and neonates up to 30 days. Such free services are felt to be essential and inevitable since it is a well-known fact that maternal and neonatal death can be reduced substantially by ensuring timely access to free and quality services in public health facilities.

Therefore, after careful consideration, His Excellency the Lieutenant-Governor is pleased to notify implementation of "Janani Shishu Suraksha Karyakram (JSSK)" throughout the Union territory of Puducherry. The main aim of JSSK is to ensure cashless deliveries including caesarean sections and newborn services up to 30 days at all public health institutions, in both rural and urban areas.

Under the JSSK scheme, following entitlements will be provided to pregnant women for normal deliveries and caesarean operations and care of sick newborns up to 30 days after birth in Government health institutions, both in urban and rural areas.

*A. For pregnant women:*

1. Free and zero expense delivery and caesarean section.
2. Free drugs and consumables.
3. Free essential diagnostics.
4. Free diet during stay in the health institutions.
5. Free provision of blood.
6. Free transport from home to health institutions.
7. Free transport between facilities in case of referral.
8. Drop back from institution to home after 48 hours stay.
9. Exemption from all kinds of user charges.

*B. Entitlement for sick newborn till 30 days after birth:*

1. Free and zero expense treatment.
2. Free drugs and consumables.
3. Free diagnostics.
4. Free provision of blood.
5. Free transport from home to health institutions.
6. Free transport between facilities in case of referral.
7. Drop back from institution to home.
8. Exemption from all kinds of user charges.

The Health and Family Welfare Department in Government of Puducherry shall issue necessary operational guidelines and ensure institutional readiness for availability of services in designated public health institutions. The entitlements will be made available in all such designated Government Health Institution as notified by Health and Family Welfare Department, Government of Puducherry from time to time.

For successful implementation of the JSSK scheme, Government after due consideration is pleased to waive collection of all kinds of user fees in public health institutions for all pregnant women during delivery and sick neonates up to 30 days attending designated public health institutions.

To implement the scheme, the following officers are nominated as Nodal Officers.

*Puducherry State*

Deputy Director (Family Welfare), . . . Nodal Officer  
Puducherry.

*Puducherry District*

Medical Superintendent, . . . Nodal Officer  
RGGW&CH, Puducherry.

*Karaikal District*

Medical Superintendent, . . . Nodal Officer  
General Hospital, Karaikal.

*Mahe Region*

Deputy Director (Immunisation), . . . Nodal Officer  
General Hospital, Mahe.

*Yanam Region*

Deputy Director (Immunisation), . . . Nodal Officer  
General Hospital, Yanam.

The operation of the JSSK scheme will come into effect from the date of issue of this notification, in all the designated public health institutions in the Union territory of Puducherry.
